Econoff on December 5 conducted site visits to Changi, Paya Lebar, Sembawang, and Tengah Air Bases to confirm the Defense Science and Technology Agency's (DSTA) receipt of night vision devices (NVD) listed Ref A. Econoff accounted for the remaining 115 NVDs (Ref B describes previous site visits) by checking serial numbers provided by PM/DTTC against the serial numbers on the devices. This concludes the post-shipment check on license 05-969988.
